

BENLYSTA Cares

—Erica, real patient compensated by GSK

Resources and support created just for patients like you

We understand that starting treatment may bring questions. That's why we created BENLYSTA Cares. Carefully designed with real patient input, BENLYSTA Cares provides the support and resources you need to answer questions and help manage your treatment with BENLYSTA.

Get to know BENLYSTA Cares

Access support and co-pay savings

As part of BENLYSTA Cares, BENLYSTA Gateway is here to help you understand your insurance coverage for your treatment. Our experts can also help determine if you are eligible for our co-pay program. Call **1-877-423-6597**.

Injection support and refresher training

After you've been trained by your healthcare provider, we offer 24-hour over-the-phone nurse support.* Our trained nurses can talk you through an injection step by step, answer questions about BENLYSTA, or provide refresher training for you or for a caregiver.

Information and tools

You'll start receiving personalized communications with tips, ideas, and the latest news and info about BENLYSTA. Plus, we offer free tools: a **sharps container** to safely dispose of your used devices and an **insulated carrying case**.

*Nurses from BENLYSTA Cares do not give medical advice, and will direct you to your healthcare provider for any disease-, treatment-, or referral-related questions.
