PATIENT AUTHORIZATION AND RELEASE TO COLLECT, USE, AND DISCLOSE HEALTH INFORMATION

By signing this form, I **agree** to allow my doctors; pharmacies, including my specialty pharmacy(ies); and health insurers (collectively “Healthcare Providers”), to use and disclose my health information to GlaxoSmithKline and its agents, authorized representatives, and contractors (collectively “GSK”) so that GSK can use and disclose my health information for purposes of providing BENLYSTA Gateway services, which may include the following activities:

- 1) Communicating with my Healthcare Providers about my BENLYSTA prescription and medical condition;
- 2) Investigating and resolving my insurance coverage, coding, or reimbursement inquiry, or reviewing my eligibility for GSK’s patient assistance and co-pay assistance programs;
- 3) Contacting my insurer, other potential funding sources, and/or patient assistance programs on my behalf to determine if I am eligible for health insurance coverage or other funds;
- 4) Contacting me to offer (and, if I am interested, provide) optional educational services offered by healthcare professionals; and
- 5) Disclosing my information to third parties if required by law.

By signing this authorization, I **acknowledge** my understanding that:

- My Healthcare Providers will not and may not condition my treatment, payment for treatment, eligibility for or enrollment in benefits on whether I sign this Patient Authorization.
- Certain Healthcare Providers, such as specialty pharmacies, may receive payment from GSK for disclosing my information to GSK as permitted by this authorization.
- Once information about me is released to GSK based on this authorization, federal privacy laws may no longer protect my information and may not prevent GSK from further disclosing my information. However, I understand that GSK has agreed to use or disclose information received only for the purposes described in this authorization or as required by law.
- This authorization will remain in effect for two (2) years after I sign it (unless a shorter period is required by state law) or for as long as I participate in the BENLYSTA Gateway Program, whichever is longer.
- I have the right to revoke this authorization at any time by mailing a signed written statement of my revocation to PO Box 221797, Charlotte, NC 28222-1797, but that such a revocation would end my eligibility to participate in the BENLYSTA Gateway program. Revoking this authorization will prohibit further disclosures by my Healthcare Providers based on this authorization after the date written revocation is received but will not apply to the extent that they have already taken action in reliance on this authorization. After this authorization is revoked, I understand that information provided to GSK prior to the revocation may be disclosed within GSK to maintain records of my participation.

The patient, or the patient’s authorized representative, **MUST** sign this form to receive BENLYSTA Gateway services. If an authorized representative signs for the patient, please indicate relationship to the patient.
